

Hygienic Nuts

A new mission

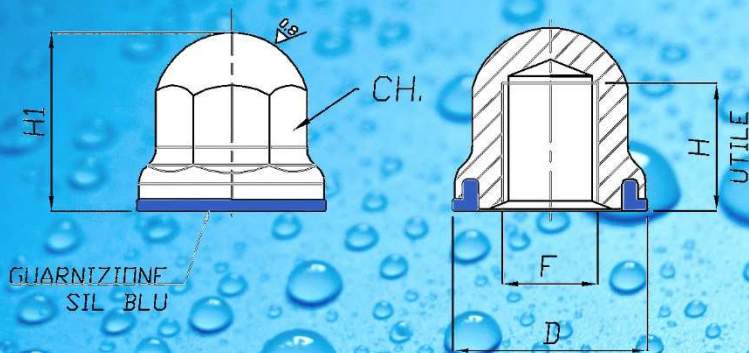

- * Bacteria problems?
- * Hygiene concerns?
- * Washing time too long?

Not a problem. Just switch to Martin new hygienic locking nuts, which hold a "3-A RPSCQC" certificate, and your machineries will be safer and cleaner.

Fastening to a new level

Quality materials (304 & Silicone) compression control, surface roughness and accurate radii are the key factors that allow these new products to hold a "3-A RPSCQC" certificate.

CODICE	DESCRIZIONE	DIMENSIONI PRICIPALI				
		D	CH.	F	H	H1
DDM3I/3A	DADO INOX D15 ES.10 M3 GUARN. SIL BLU	15	ES.10	M3	8	13
